Welcome to Britannica ImageQuest Jr.

An image and video database designed for young learners!

Britannica ImageQuest Jr. provides carefully curated, age-appropriate images and video clips covering topics taught to ages 4-11. Enjoy a mobile-friendly, age-appropriate, and simplified interface that includes bright colours, animations, and enhanced visuals specifically designed for younger learners.

Many trusted media sources have joined with Britannica to provide the best and broadest offering of curriculum-relevant imagery, videos, and clip art (infographics, signs and symbols, graphic concepts, and cool illustrations), all rights-cleared for educational, non-commercial use.
