

Love a Britannica product? Spread the smarts.

It's never been easier to get Britannica products in your school or district.

Step 1

Give it a try! If you haven't already, start your free 30-day trial today.

Step 2

Spread the smarts. Share your product access information with other users in your institution!

Step 3

Contact your principal and share the link to your favorite products or the [product sell sheet](#) in our resources section.

You can even have your whole district try it for free! Email us at contact@eb.com and we'll set up trial access for your entire district.

Step 4

Get Britannica! **We strive to meet many budgets. Contact us for district and building level pricing:** contact@eb.com.

Schools across the country tap into Title I-IV funding, SPED, Professional Development, ELA budgets, and PTA/PTO funds for these classroom purchases.
