# Jump Start Learning in Social Studies with These Ready-To-Use, Expertly Compiled Resources

Approximately 1,600 subject packs and more than 12,000 diverse content sets available!

Save planning time and make students' learning more productive with these ready-to-use content sets curated and compiled to match your PreK-12 social studies curriculum. One convenient interface streamlines searching among approximately 1,600 current, trustworthy, and relevant *LaunchPacks*. Each pack is dedicated to a specific social studies topic, and features a variety of content types—articles, images, videos, and primary sources—ideal for lessons, classroom activities, projects, or assignments.

FEATURES	BENEFITS
Approximately 1,600 <i>LaunchPacks</i> mapped to your social studies curriculum and searchable by category and filter by grade level—All Grades, PreK-2, 3-5, 6-8, and 9-12.	Spend less time searching for resources that are highly reliable, up to date, and age appropriate.
Manageably sized with an appropriate variety, number, and complexity of resources for its grade range.	Easily differentiate instruction for all students, including those requiring more assistance or additional challenges.
Customizable by adding or removing content, appending notes, or uploading your own content to share with others.	Choose what works best for your students, your own interests, and the curriculum focus.
Written, compiled, and edited by Britannica editors.	Be confident that <i>LaunchPacks</i> are up to date, relevant, accurate, and engaging.
