Bring History to Life

From the dawn of time to present day, learn about history's greatest events and figures with Britannica Original Sources, featuring reliable resources across 12 subject areas, including:

One of the world's largest historical document collections, featuring tens of thousands of materials – many exclusive to this collection – to help students fact-check information

Speeches, essays, biographies, landmark court decisions, editorials to create key context around current events

A vast archive searchable by author, title, subject, date, and keyword, with advanced search options available

First-person accounts from notable contributors such as Madeleine Albright, Malcolm X, Edgar Allen Poe, Thomas Jefferson, and more.

An online library featuring the creations and discoveries of history's greatest minds as recorded in the authors' original words
